

Preferred Home Care Services

In-Home Family Supports (BI, CAC, CADI, DD)

In-home family supports include assistance to develop, maintain or improve skills related to activities of daily living, such as:

- Household chores (e.g., bed-making, washing dishes, laundry)
- Eating and food preparation
- Personal hygiene and cleanliness
- Social and adaptive skills necessary to help the person live in the community
- Health, safety and wellness
- Household management
